Subject: Application for Permission to Use RT-PCR Facility

Dear Sir,

I hope this letter finds you well. My name is Asia Mushtaq, a PhD scholar working in the Centre of Research for Development (CORD). I am writing to seek your kind permission to utilize the RT-PCR facility available in your department for my ongoing research project.

Given the advanced capabilities of the RT-PCR facility, I believe it will significantly enhance the quality and reliability of my research findings. I assure you that I will adhere to all protocols and guidelines for the proper use and maintenance of the equipment. Additionally, I will coordinate with the laboratory staff to ensure that my usage does not interfere with other scheduled activities.

I kindly request you to grant me permission to access and use the RT-PCR facility, your support and assistance in this matter would be greatly appreciated.

Thank you for considering my request. I look forward to your positive response.

Yours sincerely,

Asia Mushtaq
