Department of Food Science & Technology

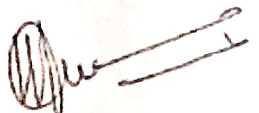

Notice

Date: 15/05/26

The department is to conduct one day strawberry festival tentatively on 20<sup>th</sup> of May 2026. The festival is aimed to highlight value addition of strawberry and its incorporation in various food products. For the successful accomplishment of an event, following student activities will be conducted under the supervision of concerned in charge faculty member and the technical staff.

| Group                                                                             | Faculty incharge                | Technical staff                                                | Activity                                                                  |
